Date: 4 March 2002

STATEMENT OF WORK
For the
Inspect and Repair Only As Necessary (IROAN)
Of the
Light Armored Vehicle (LAV-25)
Thermal Sight System
Power Supply Circuit Card Assembly
NSN 6130-01-443-6655

SOW-04-PM-LAV-8H758B-2/1

1. 1. No Statement Of Work is required to IROAN the Power Supply CCA, NSN 6130-01-443-6655, Part Number 6374515. The Marine Corps lack the necessary technical data to perform repair, and the technical data is proprietary to the Original Equipment Manufacturer (OEM). This is a commercially repaired item that has to be returned to the OEM.
